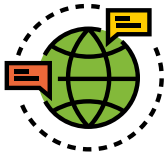
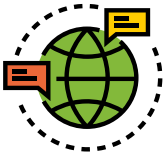
Our Network



+100

IGNITION PARTNERS NETWORK

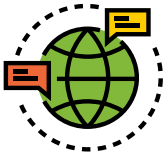
This network helps us regularly engage and create proximity with universities, interface institutes, R&D Centres, incubators and accelerators so that we can identify opportunities and the creation of innovative businessses and projects, merging science and technology with entrepreneurship.



+30

IGNITION CAPITAL PARTNERS

Portugal Ventures created this network to boost the activity of private co-investor Venture Capitalists in Portugal and in particular Portugal Ventures portfolio and future investments.



+10

CORPORATE PARTNERS

Creation of synergies between companies and our portfolio, thereby encouraging the development of new products and technologies, pilot testing, the sharing of knowledge and networking, business partnerships, and forming expert panels for analysing investment opportunities.

How We Invest
